

Physical Exam for All Kindergarteners

Dear Parents of a New Kindergartner (2023-2024),

All incoming kindergarten students must have an up-to-date physical and immunization. They both must be dated after September 2022 to qualify as a kindergarten physical.

If you have a physical dated after September 2022, it must be submitted to the school nurse before the first day of school. You can email or fax it to our school nurse. **DO NOT MAIL** it to the Bureau of Nursing at 54 Meadow Street, New Haven, CT 06519.

No kindergarten student will be allowed to start school without a current physical and immunization verified by the school nurse.

Important note: The New Haven Board of Education and the New Haven Health Department will no longer allow religious exemptions for vaccinations. All immunizations must be complied with in order to attend school.

School Nurse: Doreen Watmough
